Essendon, VIC

Design + Construction of an office Fit Out

PROJECT DESCRIPTION

Total Special Projects has been awarded a Design + Construction contract for the fit out of an office for real estate agents Jellis Craig.

The scope briefly comprises the fit out of an existing office with complementary finishes to the existing industrial environment:

- > New doors and internal glazing;
- > New carpet and vinyl throughout;
- > New tiling to wet areas;
- > Painting;
- > Extensive joinery including a new kitchen, reception desk, credenzas and vanities;
- > Supply and installation of white goods - dishwasher, microwave, fridge and several TVs;
- > Supply and installation of specified soft furnishings;
- > Electrical, mechanical, hydraulic and fire services upgrades; and
- > External signage.

CLIENT

Jellis Craig

PROJECT VALUE

\$827,000
